Q1-2. Should all academic transcripts/diplomas be original to be submitted? Do you accept photocopies of these?

A. We only accept original documents (e.g. Degree Certificate, Dean’s Letter) or officially verified copies (issued and certified by the university or institution). Those have to be physical documents only, no electric copies and their printouts are acceptable.

For example, prepare the documents below regarding the officially verified copies:

- the certification letter (Dean’s letter) with signature/stamp of the dean or authorized by the school official.
- the certified documents by the authorized the school official or an organization such as the embassy of your country in Japan to prove that the copies are not different from the originals (In this case, submit certifications and copied of the original)

-

Please consult us in advance if you have any difficulties with submitting originals or verified copies. (e.g. If a government or a university are not functioning due to the civil conflict.)

Q1-3. Will my application documents be returned to me after finishing the selection process?

A. No. None of the application documents will be returned to the applicants. Please do not submit the original copy of the letter of certificate or officially attested photocopy of the certificate.

■Entrance Examination

Q2-1. What kind of Entrance Examination will be given?

A. It depends on your major. Written examination of “English” (Program in Medicine only) and “specialized subject of the applicants’ field” and an interview test will be given in both English and Japanese. Therefore the applicants who do not speak or read Japanese can apply for it. (For example, written test is written in English as well as in Japanese.)

Refer to the “IV Evaluations” in the “Admission Guideline” for further information regarding the entrance

examination.
