Course Implementation Guideline

The Japanese language courses in the second semester of AY 2022 will, in principle, be conducted in person while taking all possible measures to prevent the spread of the novel coronavirus.

However, for those who have a condition that makes it difficult for them to attend face-to-face classes on campus, such as having an underlying medical condition that put them at greater risk of serious complications if infected with the novel coronavirus, consideration will be given to allow them to attend classes online or through other alternative methods.

【For the Japanese language courses in the ILAS Curriculum】

Please be sure to contact your graduate school/faculty office if you need to attend classes online all semester for the reasons of having underlying condition or living with an elderly person with underlying condition.

Depending on the status of the spread of infection, there is a possibility that the guideline will change.

Please check regularly the novel coronavirus updates on KULASIS or Kyoto University's official website at:

<https://www.kyoto-u.ac.jp/en/about/safety/coronavirus>

FAQ about the registration for Japanese courses in the ILAS Curriculum

Q1. I extended my enrollment date to November. Can I apply for the Japanese language courses?

A1. No, you cannot apply for the Japanese language courses unless you are enrolled in Kyoto University as of October 1, 2022.

Q2. Can I attend classes online?

A2. With the exception of a few courses, the Japanese language courses in the second semester of AY 2022 will, in principle, be conducted in person while taking all possible measures to prevent the spread of the novel coronavirus.

For those who have a condition that makes it difficult for them to attend face-to-face classes on campus, such as having an underlying medical condition that put them at greater risk of serious complications if infected with the novel coronavirus, consideration will be given to allow them to attend classes online or through other alternative methods.

This does not apply to students who are enrolled in an online study or research program from abroad, however.

Q3. I am a research student. Am I eligible to take Japanese language courses?

A3. Yes, you are. However, you need to obtain permission of your supervisor and apply for auditing Japanese language courses via your graduate school or faculty's administrative office before the Registration STEP1 begins (refer to page 2).

Q4. I should receive "Welcome to Panda" message since I registered my personal email address in STEP1. But I cannot find it. What should I do?

A4. Firstly, please check the junk box and promotion mailbox of your email account. If you don't find it anywhere, please contact us. On the other hand, those who have ever activated Panda account with the same email address (as login ID) at the past placement test will not receive the welcome message this time. In such a case, please log in to Panda with the same password you had set during the activation

for the last time. (Refer to page 10).

Q5. I log in to PandA with my ECS-ID since I am a current student. But I cannot find the placement test on my PandA account.

A5. This is because you registered your personal email address in STEP1. In this case, log in to PandA again with your personal email address and the password you set during the account activation (refer to page 9 and 10).

Q6. There was an internet shutdown while I was taking the placement test. Then I scored 0(zero). What should I do in such a case?

A6. There is a possibility that you may be able to retake the placement test. Please contact A30kyomuj@mail2.adm.kyoto-u.ac.jp to ask availability.

Q7. Before the Course Registration STEP2 starts, I would like to know the contents and the instructor of each course.

A7. Please search the syllabus of each course at <https://www.z.k.kyoto-u.ac.jp/zenkyo/syllabus>

Q8. In STEP2, I was going to apply for multiple courses. But the application was closed just after I signed up for one course. How can I apply for more courses?

A8. Your application was closed because you had finalized the STEP2 by clicking “Submit to registration”.

In that case, contact A30kyomuj@mail2.adm.kyoto-u.ac.jp to cancel the finalization. Then you will be able to apply for more. Please click “Submit to registration” after selecting all courses you want to register for.

Q9. I want to apply for the course that has already been oversubscribed. Can I enter in a waiting list?

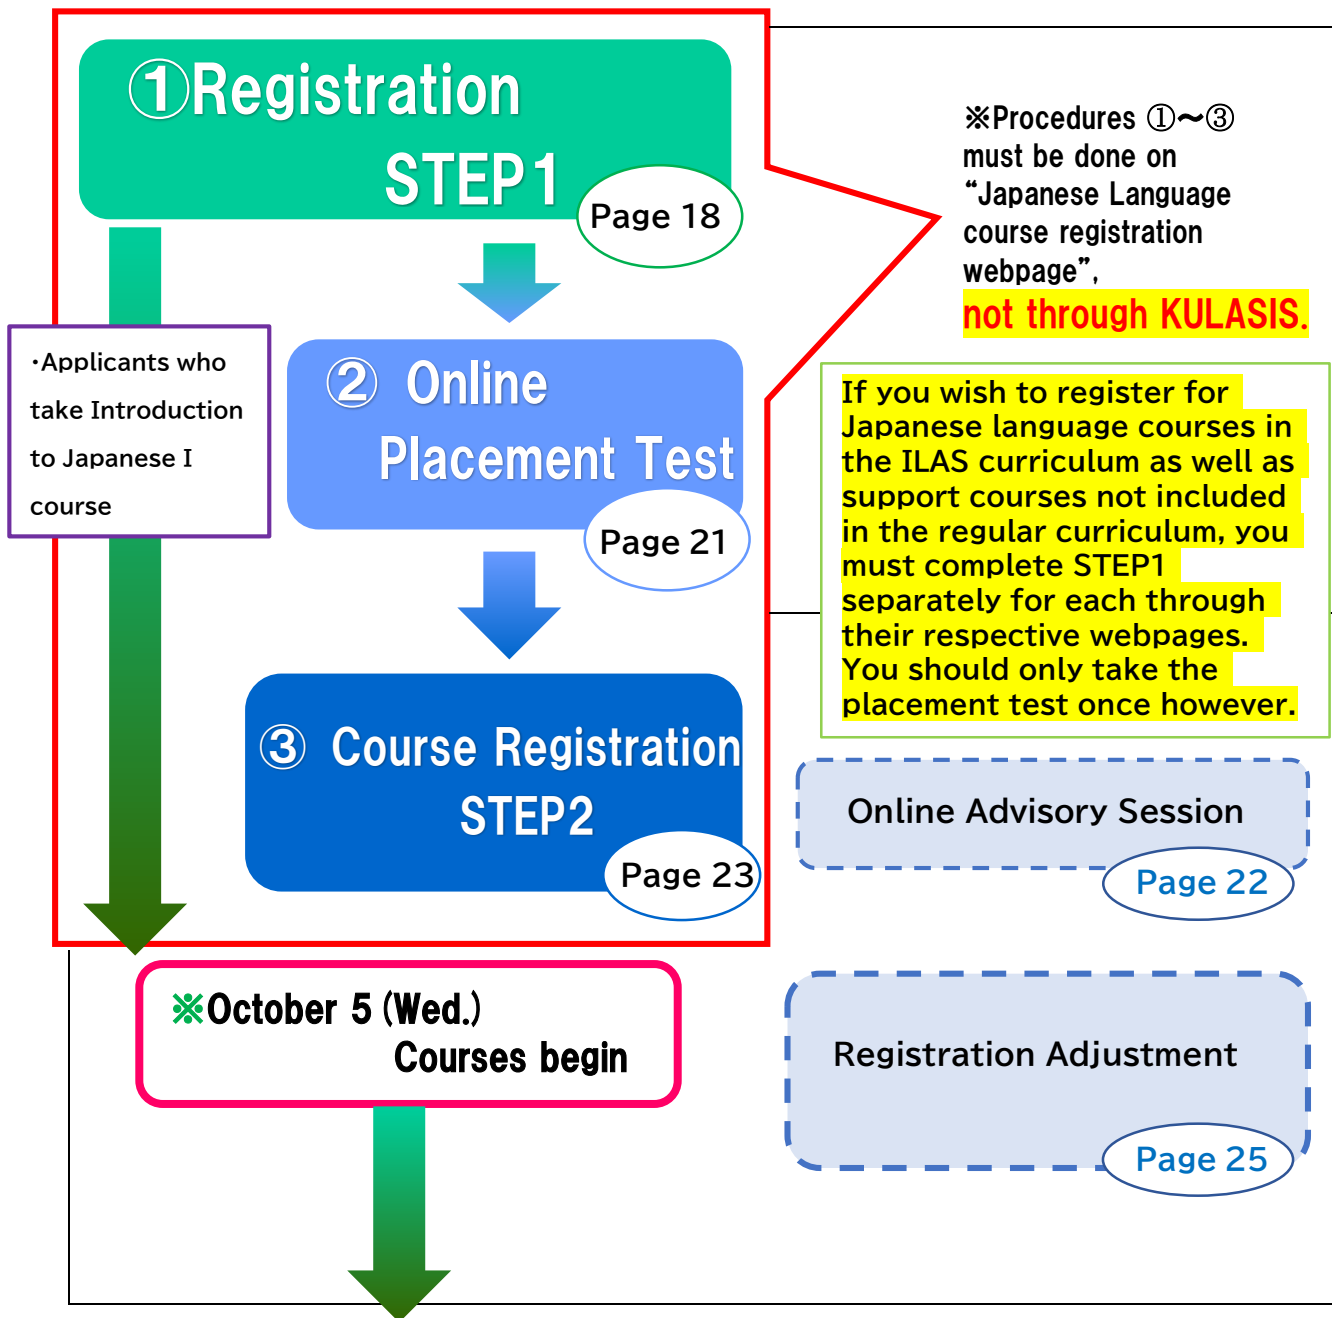

A9. We have no waiting list for the Japanese language courses registration. Before the registration adjustment period starts, we will let applicants know if there are open courses due to the cancellation. To apply for these courses, please refer to “Registration Adjustment” on page 13.

FAQ about the registration for the Japanese support courses

Q1. I extended my enrollment/hire date to November. Can I apply for the Japanese support courses?

A1. No, you cannot apply for the Japanese language courses unless you are enrolled/employed in Kyoto University as of October 1, 2022.

Q2. Can I attend classes online?

A2. “Intermediate Japanese IB① (Fridays, 13:15-14:45)”, “Intermediate Japanese IIB”, and “Advanced Japanese B” will be offered as full online courses.

On the other hand, “Introduction to Japanese I (Wednesdays and Thursdays)”, “Introduction to Japanese II”, “Intermediate IB② (Fridays, 15:00 to 16:30)”, and Business Japanese B are conducted as face-to-face classes, so please join these courses in the classroom.

For those who have a condition that makes it difficult for them to attend face-to-face classes on campus, such as having an underlying medical condition that put them at greater risk of serious complications if infected with the novel coronavirus, consideration will be given to allow them to attend classes online or through other alternative methods. Contact A30kyomuj@mail2.adm.kyoto-u.ac.jp to ask availability.

However, this does not apply to applicants who are enrolled in an online study or research program from abroad.

Q3. I should receive “Welcome to Panda” message since I registered my personal email address in STEP1. But I cannot find it. What should I do?

A3. Firstly, please check the junk box and promotion mailbox of your email account.

If you cannot find it anywhere, contact A30kyomuj@mail2.adm.kyoto-u.ac.jp. On the other hand, those who have ever activated Panda account with the same email address (as login ID) at the past placement test will not receive the welcome message this time. In such a case, please log in to Panda with the same password you had set during the activation for the last time. (Refer to page 22).

Q4. I log in to Panda with my ECS-ID since I am a current student. But I cannot find the placement test on my Panda account.

A4. This is because you registered your personal email address in STEP1.

In this case, log in to PandA again with your personal email address and the password you set during the account activation (refer to page 21).

Q5. There was an internet shutdown while I was taking the placement test. Then I scored 0(zero). What should I do in such a case?

A5. There is a possibility that you may be able to retake the placement test. Please contact A30kyomuj@mail2.adm.kyoto-u.ac.jp to ask availability.

Q6. I would like to know the contents and the instructors of the support courses.

A6. Please search the syllabus of the support courses at <https://www.z.k.kyoto-u.ac.jp/download/japanese-language/6.pdf>

Q7. I want to apply for the course that has already been oversubscribed. Can I enter in a waiting list?

A7. We have no waiting list for the Japanese language courses registration. Before the registration adjustment period starts, we will let applicants know if there are open courses due to the cancellation. To apply for these courses, please refer to “Registration Adjustment” on page 25.
