

Tutorial of BD FACS Aria II (for 2 Days, in English)

Drug Discovery Center provides FACS Aria II (4 lasers available, in Med-Pharm Collaboration Bldg. Room#504) and FACS Aria III (6 lasers available, can use up to 4 lasers simultaneously, in Faculty of Med. Center for Anatomical Studies, Room#401a). This 2-day tutorial course includes the basics of using BD FACS Aria II Cell Sorter by the lecturer from BD Biosciences.

- ※ The content of this tutorial course is the same as the content of BD in-house tutorial and you will receive the official certificate of achievement from BD, which is required to use Aria II/III in Drug Discovery Center.
- ※ You can use Aria II / III in Drug Discovery Center if you had already have your BD-official certificate of achievement. Please contact us about it via E-mail.
