

The 41st CCII Seminar

“Breaching Barriers in Translational Research”

Dr. Orla Smith
Managing Editor
Science Translational Medicine

The seminar will discuss the peer review process at Science Translational Medicine, the types of translational cancer research studies that are of interest to the journal, common mistakes to avoid when submitting, and broader issues in scientific publishing.

Date: October 1, 2025 (Wed) 4:00pm - 5:00pm
Venue: NITORI Hall, Bristol Myers Squibb Building
Admission free | No advance registration required

Organized by Center for Cancer Immunotherapy and Immunobiology (CCII)
