Message to Prospective Applicants for Doctoral Program in Public Health

The purpose of this program is to foster human resources who have fundamental knowledge, professional knowledge, skills and attitude, high ethical standards, and a sense of responsibility which are necessary to search, evaluate, analyze and solve problems concerning health and diseases of “individuals in society”, and who can independently conduct an advanced academic research in health, medical care, and welfare disciplines. The students who complete this program are expected to be involved, in the future, with high degree of education/research in the areas of domestic/international healthcare, medical care, or welfare. Since the academic disciplines intended for research are broadly interdisciplinary and include natural science and humanities, we welcome enthusiastic individuals from any academic field to aggressively pursue the purpose described above.

I Major and Enrollment Capacity

Public Health: 12 (including students from Special Selection for Working Applicants and students from Special Selection for International Applicants)

To learn more about Research Fields (departments) in our program, please refer to our web site of Graduate School of Medicine: <http://sph.med.kyoto-u.ac.jp/en/field/>

*	Letter of recommendation for eligibility screening	The letter has to be prepared by the dean or a research advisor of a program in which you are/were enrolled (must be confidentially sealed).
	Applicant's research history (CV)	Please describe your research activities at the institute you currently belong to (including a list of publication/achievements).
	Certificate of final academic records	Graduation (Completion) certificate and academic transcript. (Original or Authorized copy only / must be written in English or Japanese)

4. Eligibility Screening

Applicants are evaluated by their research activities, list of publications/achievements and other information described in the submitted materials.

5. Screening Decisions

The decisions of the Eligibility Screening will be notified to applicants by email by the application start date.

V Application Procedures

Applicants must complete the 3 steps; “Online Application”, “Online Payment of the Examination Fee” and “Submission of the Application Documents”.

Go to the Online Application site from:

https://www.med.kyoto-u.ac.jp/en/apply/exam/requirements_mmg/socialhealthmedicine_dc/

(The link to the “Link to the Online Application site” page is available only during the application period below.)

Upload a photo file in the Personal Information section when registering online.

Applicants must prepare a photo file (JPEG/JPG) of a single person taken within the last three months with no background and no hat or head covering unless there is a religious or medical reason.

Pixel size: 480-6000 pixels wide, 480-6000 pixels high

Images that have been manipulated with image editing software or photos that are ineligible, such as those in which the person is difficult to identify or the face is unevenly positioned, will not be accepted.

International applicants who have not yet arrived in Japan must also upload a copy of their passport (the page with the face photo) (JPEG/JPG, PNG, GIF, PDF).

All the application materials must be enclosed to an envelope (“square No.2 size envelope (240mm x332mm)” or a similar size) as the submission envelope with the print out of the submission label from the online system pasted on.

Overseas applicants can send the submission envelope and put it into another envelope and send it to be delivered by the deadline below. Using EMS or another international courier service with mail tracking is recommended.

1. Application Period

Tuesday, September 3, 2024 - Monday, September 9, 2024 by 5:00 pm (JST)

(Materials must arrive during the above period)

Applicants must have completed the Online application, the Online payment and their application materials must be arrived and accepted during the above period.

The reception hours at the office in the Graduate School of Medicine are:

9:00 am-12:00 pm, and 1:00 pm-5:00 pm

Application materials should be sent to;

Office of Student Affairs, Graduate School of Medicine, Kyoto University

Yoshida Konoe-cho, Sakyo-ku, Kyoto, Japan 606-8501

TEL: +81-75-753-4306 FAX: +81-75-753-4405

If you are sending your package of materials by domestic postal service in Japan, the documents must arrive by 5:00 pm on the day of the deadline. However, application documents will also be accepted even after the deadline, only if the documents are sent by registered express mail and postmarked no later than Tuesday, September 3, 2024 by the

dispatching post office.

Overseas Candidates must send the instructed application materials by international delivery service with the mail tracking like EMS, as those documents have to arrive by **Monday, September 9, 2024 at 5:00 pm (JST)**.

2. Application Materials

Document 3, 8 and 9 must be downloaded at the following website.

Applicants must obtain the prior approval from the prospective professor before the application procedure.

https://www.med.kyoto-u.ac.jp/en/apply/exam/requirements_mmg/socialhealthmedicine_dc/

1	Official Transcript	The officially issued “letter of graduate certificate” and “academic transcript” from your graduate degree program must be prepared by the university you are currently attending or graduated from.
2	Graduation Certificate (or certificate of expected graduation)	<ul style="list-style-type: none">- Photocopies without authorization of the issuers are NOT acceptable.- They must be written in English or Japanese <p>Applicants who have completed (or are expected to complete) the master's program/professional degree program at the Graduate School of Medicine of Kyoto University do not have to submit these items.</p> <p>*Applicants fulfilling the Requirement 6, 7 or 8 do not need to submit these items in the application period.</p> <p>If the university issue only digital certificate, submit the photocopy. If you cannot submit the original certificate because the university can issue only one original certificate, ask the university to issue certified photocopy of the original one and submit it to the Office of Student Affairs. If the university does not support to issue certified photocopy, let the Office of Student Affairs know before application.</p> <p>Those who have changed their names after the graduation must attach the copy of official document which can see the change of old name to the new name.</p>
3	Research Protocol	<p>Download the designated form from the website.</p> <p>Abstract your master's thesis and a future research protocol in approximately two pages. Applicants who fulfill Requirement 6, 7 or 8 are required to write about the progress of your research instead of the abstract of master's thesis.</p>
4	A valid score of either of below: - TOEFL®iBT - TOEIC®	<p>A valid English proficiency test score is required to submit.</p> <p>The score report must be obtained at the test date which was held within the 2 years prior to the application deadline date. Applicants are to submit either of listed below</p> <ul style="list-style-type: none">- TOEFL®iBT Test: Test Taker Score Report (original) <NOTE> <p>* Adopt Test Date scores instead of My Best scores. * TOEFL®iBT Home Edition, TOEFL®ITP Test (Institutional Test Program) and TOEIC®-IP Test (Institutional Program) score is NOT acceptable.</p> <ul style="list-style-type: none">- TOEIC®Listening and Reading Test: Official Score Certificate or Certificate of Achievement (original) <p>*If the applicant hasn't received the original document of official “English proficiency test score” by the time of the application deadline but expected to receive it before the examination date, submit the hardcopy of the web score report with the letter that explains the reasons of the delay of submission. And the original</p>

		<p>official score must be sent and delivered to Office of Student Affairs, Graduate School of Medicine, Kyoto University by the day before 5 p.m. of the examination date. In case the original official score is not submitted by the deadline, applicant shall not be qualified and not be permitted to take the entrance examination. Applicant cannot re-submit the score for the reason of "change to the better score".</p> <p>*If the applicant for Special Selection for International Applicants hasn't received the original document of official "English proficiency test score" by the time of the application deadline but expected to receive it before the examination date, submit the hardcopy of the web score report with the letter that explains the reasons of the delay of submission. And the original official score must be sent and delivered to Office of Student Affairs, Graduate School of Medicine, Kyoto University by 5 pm one week ago (October 15, 2024) of the examination date for Special Selection for International Applicants. In case the original official score is not submitted by the deadline, applicant shall not be qualified and not be permitted to take the entrance examination. Applicant cannot re-submit the score for the reason of "change to the better score".</p> <p>*The standard English proficiency at the time of application is 60 or above on the TOEFL®-iBT Test and 600 or above on the TOEIC® Listening and Reading Test. However, this does not preclude applicants from taking the examination even if your English proficiency test score has not reached the standard.</p> <p>- English mother tongue applicants also have to submit one of above scores.</p>
5	Examination fee Payment	<p>Application fee: 30,000 yen [Those expected to complete master's or professional degree programs at Kyoto University need not pay application fee]</p> <p>For applicants from the affected regions under the Disaster Relief Act whose head of household has been adversely affected by the disaster designated by university (http://www.kyoto-u.ac.jp/ja/admissions/fees_exemption [written in Japanese]), the application fee may be waived. Ensure to submit a copy of Risai Shomeisho (Disaster Victim Certificate). For more information about the application, contact the administrative office at the Graduate School of Medicine as soon as possible. (Deadline: August 23, 2024)</p> <p>Choose the payment method via the Online Application system from the followings: "Credit Card", "Convenient Store", "Financial Institution ATM", or "Internet Banking" Overseas applicants must choose "Credit Card" payment.</p> <p>★ It will cost you 650 JPY as commission. ★ Application examination fees will not be returned once the application form has been processed.</p>
6	Residence card, foreign resident registration card, or certificate of entry in the resident card	<p>Only international students have to submit a two-sided copy of a residence card and foreign resident registration card. A foreign student who has not yet arrived Japan do not have to submit it.</p>
7	Certificate of Japanese Government (MEXT) Sponsored International Student	<p>Submit a copy of certificate if you are Japanese government-sponsored (MEXT) international applicants who currently belong to other than Graduate School of Medicine at Kyoto University. If you are currently being considered for a MEXT international applicant at the time of application, submit a copy of a passing Certificate of the First Screening.</p>
8	Certificate of Employment Period	<p>Only for applicants for the Special Selection for Working Applicants.</p> <p>Download the designated form from the website.</p>

		The Certificate must be issued by the chief employer.
9	Letter of Consent (option)	Only for applicants for the Special Selection for Working Applicants and who wish to continue their employment, even after enrolling the program. Download the designated form from the website. The Certificate must be issued by the chief employer.
10	Documents certifying research proficiency	Only for applicants for the Special Selection for International Applicants. The following documents must be submitted. ★ Document certifying research proficiency A copy of a peer-reviewed English publication that became the author, an abstract of an international conference that became the speaker, or a master's thesis (written in English)

- Notes:
- 1) The content of submitted application materials cannot be changed in principle.
 - 2) An examination admission ticket must be printed from the online application system after 13:00 on October 15 until the day of the examination. Bring it on the day of the examination. Also, print and confirm the examination instructions from the online application system at the same time. The examination venue will be notified then.
 - 3) For applicants who will be selected the Japanese Government (MEXT) scholarship or be awarded its extension scholarship in April 2025, your application fee will be reimbursed. The details will be announced at the admission procedures.
 - 4) Submitted application documents will not be returned.
