A message to prospective students of doctoral program in medicine

The heart of our mission at Kyoto University Graduate School of Medicine is to improve health and quality of life through deepening our understanding of human body and elucidating the underlying mechanisms of diseases. With the advancement of technology, the current medical research communities encourage interdisciplinary approach to research topics. Thus at our graduate program we are focused to prepare our young scientists not only to become a leader within the specialized field but also to enrich the training environments to develop diverse disciplinary understanding of medical sciences.

We are seeking positive and enthusiastic students with fundamental knowledge of English, basic medicine, and clinical medicine who are willing to give their best on the medical research.

I Major and Enrollment Capacity

Medicine 166 (Including few students from Special Selection for Working Applicants)

To learn more about “Research Fields (department)” in our program, please refer to the website of Graduate School of Medicine: <https://www.med.kyoto-u.ac.jp/en/research/field/>

II Eligibility Requirements

Applicants must satisfy one of the following requirements below (or who will satisfy one of the following requirements by March 31, 2025).

	Research achievements of your affiliated institution/company	Please submit documents which show the research achievements of your institution/company including non-profit medical research such as yearly report, academic society bulletins.

- 2) Eligibility Requirement 7: Those who have been enrolled for four years or longer in a six-year program (limited to programs in medicine, dentistry, veterinary medicine and pharmacy) of a university in Japan (including those the MEXT approved as having equivalent education, in accordance with Article 102-2 of the School Education Law), and who are recognized by the Graduate School of Medicine, Kyoto University as completed the required academic credits with an academic excellence.

*	Application form for Eligibility Screening	Fill out your academic history from high school graduation.
	Certificate of Final	Certificate of enrollment (with period of enrollment) and academic

	Academic Records	transcripts (Original or authorized copy in English or Japanese)
	Letter of permission for taking admission exam.	The letter must be prepared and sealed (or signed) by the dean (department head) of the university in which you are/were enrolled. (Form; Free)

- 3) Eligibility Requirement 8: Those who demonstrated academic performance equivalent or superior to Eligibility Requirements 1 on the individual eligibility screening given by the Graduate School of Medicine, Kyoto University and who will be at least 24 years of the age by March 31, 2025.

*	Application form for Eligibility Screening	Fill out your academic history from high school graduation on the designated form enclosed to the guideline booklet.
*	Letter of Recommendation	To be prepared by a research advisor, etc., at the last school in which you are/were enrolled. Must be kept sealed and confidential.
	Certificate of Final Academic Records	Graduation certificate and academic transcripts (Original or authorized copy in English or Japanese)
	Research Activity History	Please describe your research activities following graduation from undergraduate program. (Including a CV, list of publication, abstract of the published article, research achievements, etc) Please attach the copies of research articles and presentation abstracts.

3. Eligibility Screening Decisions

Eligibility Screening decisions will be notified to applicants by email by the start of application period.

V Application procedures

Applicants must complete the 3 steps; “Online Application”, “Online Payment of the Examination Fee” and “Submission of the Application Documents”.

Go to the Online Application site from:

https://www.med.kyoto-u.ac.jp/en/apply/exam/requirements_mmg/medicine/

(The link to the “Link to the Online Application site” page is available only during the application period below.)

Upload a photo file in the Personal Information section when registering online.

Applicants must prepare a photo file (JPEG/JPG) of a single person taken within the last three months with no background and no hat or head covering unless there is a religious or medical reason.

Pixel size: 480-6000 pixels wide, 480-6000 pixels high

Images that have been manipulated with image editing software or photos that are ineligible, such as those in which the person is difficult to identify or the face is unevenly positioned, will not be accepted.

International applicants who have not yet arrived in Japan must also upload a copy of their passport (the page with the face photo) (JPEG/JPG, PNG, GIF, PDF).

All the application materials must be enclosed to an envelope (“square No.2 size envelope (240mm x332mm)” or a similar size) as the submission envelope with the print out of the submission label from the online system pasted on.

Overseas applicants can send the submission envelope and put it into another envelope and send it to be delivered by the deadline below. Using EMS or another international courier service with mail tracking is recommended.

1. Application period

Tuesday, September 3, 9:00am to Monday, September 9, 5:00pm, 2024 (JST).

(Application materials must arrive during the above period strictly, by post or in person)

Office hours: 9:00 am-12:00 pm, 1:00 pm-5:00 pm.

If you are sending the package of materials by postal mail, it must arrive by 5:00 pm on September 9, 2024(JST).

However, the package postmarked on or before September 3, 2024 and that was sent by registered express mail from within Japan will also be accepted even if it arrives after the deadline.

Application materials should be sent to:

Office of Student Affairs

Graduate School of Medicine, Kyoto University

Yoshida Konoe-cho, Sakyo-ku, Kyoto 606-8501, Japan

TEL: +81-75-753-4306 FAX: +81-75-753-4405

Overseas applicants must send the instructed application materials below by international delivery service like EMS, as those documents have to arrive by **Monday, September 9, 2024 at 5:00pm (JST)**

2. Application Materials

Form6 must be downloaded at the following website.

Applicants must obtain the prior approval from the prospective professor before the application procedure.

https://www.med.kyoto-u.ac.jp/en/apply/exam/requirements_mmg/medicine/
